Course Name: BFA Futsal

Description:

Futsal is a fun and fast-paced 5-a-side football game played on a Basketball-sized court. Originating in South America, it is still the most widely played type of football played by children in Brazil today.

The weighted-ball and tighter spaces in Futsal means players get many touches of the ball and really helps improve technical skills, creativity and decision-making. Brazilian players grew up playing Futsal and many of the greats like Pele, Ronaldinho, Neymar and Coutinho say it played a big part in their success.

As one of the top football training providers in Hong Kong, Brazilian Football Academy deliver diverse football programs and clinics, which are fun, inspirational and educational. Our programs are age and ability appropriate for boys and girls and are founded on the principle of safety, learning and enjoyment.
